The screenshot shows a Windows application window titled 'Autodesk AutoCAD 2009 KeyGen'. The main window is titled 'Activation' and displays the product as 'AutoCAD 2009', serial number '666-98989898', and request code 'N14Z ZA35 7YGF G1P3 T6PP HJE2'. It offers three options: 'Get an activation code' (radio button selected), 'Enter an activation code', and 'Paste the activation code'. Below these is a text input field containing the activation code 'SU4H QU47 H883 11P3 FL39 X8WH DJ4X 8L2V SYJC F2TF 4ADW C26A UHWX S54X VYXU LY8F LSQ3'. A red arrow points from this field to a red-bordered 'Next >>' button at the bottom right of the window. The window is overlaid on a larger 'Autodesk' registration page. The registration page has a blue header 'Register Today' and a sub-header 'Autodesk'. It shows the same product information and activation options. A yellow circle highlights the 'Get an activation code' radio button. A red arrow points from this circle to the same activation code field in the keygen window. The page also includes a 'PkHowto.com' watermark and a link to 'http://www.autodesk.com/register'.
